ABOUT THE CONFERENCE

Now we heartily welcome you to join us for the **Global Research Conference on Oncology and Cancer Research (GRCOCR2024)** which will be held during **September 26-28, 2024** in **Munich, Germany** with a theme of **“Explore new Frontiers in Cancer Research and Oncology”**.

This GRCOCR2024 meeting will focus on understanding the molecular and cellular processes that drive the development and progression of cancer, aiming to engage, empower, and develop new ideas in this platform for a better healthcare system. Attendees will have the unique opportunity to learn from leading experts in the field, network with peers and industry professionals, and explore the latest research and developments in Oncology and Cancer research.

Our comprehensive program will include industry-driven presentations, expert panels, and keynote speeches from global thought leaders. Your expertise and knowledge will be showcased to key players in the field of Medical Sciences and will be a unique platform to increase your reputation within the sector. At GRCOCR2024 you will find those minds to collaborate and achieve your goals.

We are looking forward to your presentation among these inventors at Munich, Germany.

Sincerely,

GRCOCR2024 Scientific Organizing Committee
